

Kishwaukee Health Foundation

Floann and Hallie Hamilton Diagnostic Imaging Scholarship

Instructions and Policies

I. Eligibility for Scholarship

- A. Applicants must have been accepted in a college diagnostic imaging curriculum
- B. Applicants must be DeKalb County residents

II. Facts pertaining to HDI Scholarship:

- A. One scholarship will be awarded in the range of \$500 - \$1,000 for the academic year based on availability of funds. Scholarship recipients may reapply annually for additional funds.
- B. Scholarships are awarded upon verification by the institution of student's enrollment. Recipient should request a verification letter be sent to Kishwaukee Health Foundation, P.O. Box 707, DeKalb, IL 60115.
- C. Check will be mailed to the recipient's school. If a recipient drops out of school, or switches from the diagnostic imaging curriculum, funds must be returned commensurate with the remaining school year.
- D. Selection of recipient will be made in May for the following academic year.
- E. At such time as no applications are received from eligible students, the scholarship will not be awarded for that year but monies will be held for subsequent scholarships.

III. Availability of applications

- Contact the Kishwaukee Health Foundation office at 815-748-9954
- E-mail rellingson@kishhealth.org
- Access the application at www.kishwaukee-health-foundation.org

IV. Applications:

- A. Transcripts from all academic institutions (high school and beyond) must accompany the application. High school transcripts are required if the applicant graduated from high school within the last 10 years. An application will not be considered without transcripts. *Prior recipients need submit only updated transcripts.*
- B. Official proof of acceptance to a school of higher education must accompany this application. Schools need not be Illinois institutions.

- C. Direct all documents to Kishwaukee Health Foundation, P.O. Box 707, DeKalb, IL 60115.
- D. Direct questions to Kishwaukee Health Foundation at 815.748.9954.
- E. Completed applications and supportive documentation must be postmarked by May 1 preceding the academic scholarship year.

V. Criteria:

Scholarships are awarded based on the following criteria:

- Acceptance in a diagnostic imaging curriculum at an accredited two or four year college
- Financial need
- Scholastic record

VI. HDI Scholarship Committee

Selection of each year's recipient will be based solely on the decision of the committee. The committee will be comprised of Floann and Hallie Hamilton and the Executive Director of Kishwaukee Health Foundation.
