

What is MUM?

It's a fund-raiser created by the Midge & Miles Underwood family. Golfers from the northern Illinois area enjoy a day of golf for the benefit of DeKalb County Hospice.

This golf outing raises funds to support the many services offered to the terminally ill patients and families of DeKalb County. These services include the physical, emotional and spiritual needs of the dying patient and the patient's family along with volunteer and bereavement services.

About Midge & Miles Underwood

"They were a close loving couple who cared about their family, friends, and community. Both were great lovers of the game of golf. This outing is a tribute to our parents and to a cause close to our family."
